## Information Letter

**In response to your inquiry regarding the inclusion of the declared products in the list of mandatory certification objects, we inform you of the following.**

**In accordance with paragraph 3 of Article 46 of the Federal Law "On Technical Regulation" of the Russian Federation, based on the Resolution of the Russian Government No. 2425 dated December 23, 2021 "On approval of the unified list of products subject to mandatory certification and the unified list of products subject to declaration of conformity, as well as amendments to the resolution of the Russian Government No. 2467 dated December 31, 2020, and recognition of certain acts of the Government of the Russian Federation as invalid," the specified products are not included in the unified list of products subject to mandatory certification or in the list of products subject to declaration of conformity.**

**The following products are NOT included:**

**Organic and organo-mineral fertilizers (not agrochemicals) based on liquid peat-saproplet in the form of: 1. Aerosol-sprayed into natural mineral porous crushed granules at the client's choice (ceolite, diatomite, glauconite, bentonite, and similar minerals separately); 2. Mixed in proportions according to specifications.**

**HS Code: 3802900000**

**This clarification remains valid until amendments are made to the documents establishing the requirement for mandatory conformity confirmation of the specified products in accordance with the legislation of the Russian Federation, as well as within the framework of the Eurasian Economic Union.**

**Head of  
the certification authority**

**signature**

M. Yu. Shapkin
